CLINICAL EXPERIENCE

Brightpoint Health 09/15 – Present
Brooklyn, NY
Psychologist and Externship Training Director
Outpatient clinic providing mental and physical health services to severely and persistently mentally ill adults and seriously emotionally disturbed children living in impoverished neighborhoods.

Provide psychological evaluations and neuropsychological testing for children, adolescents, and adults in order to provide treatment planning, school placements, and ongoing, long-term, psychotherapy for severe mental illness. Develop specific treatment programs for behavioral and emotional problems. Provide individual, family, and group therapeutic services to the children, adolescents, and adults. Consult with the treatment team and care managers to ensure quality of care and continuity of services across spectrums. Offer and manage a pre-doctoral externship program for doctoral students of clinical or counseling psychology, focusing on providing quality mental health services within an integrative healthcare setting at the interface of medicine and psychology, are strongly encouraged to apply. Applicants interested in working with social justice issues are also encouraged to apply.

SCO Family of Services
Queens, NY 10/12 – 06/15
Program Psychologist
Close to Home Program providing psychological services, including transition planning for youth offenders in nonsecure facilities managed by the Administration for Children's Services.

Provided psychological evaluations for youth, in order to provide treatment planning, school placements, and referral for aftercare services. Develop specific treatment programs for behavioral and emotional problems. Provide individual and group therapeutic services to the youth in care and their families. Provide consultation around academic, emotional, and behavioral problems encountered by young persons. Consult with the Program Director, Director of Social Services, Site Directors, Group Leaders, and Youth Specialists regarding the functioning of individual young persons and each group as a whole. Participate in Interdisciplinary Team Meetings and Critical Behavior Reviews to discuss the progress of individual young persons and plan for their discharge on a weekly basis. Offer pre-service training on mental health and suicide prevention as well as in-service training to staff in a variety of subject areas. These include Behavior Modification, Developmental Disabilities, Stress Management, Post Traumatic Stress Disorder, Mindfulness and Meditation.

ADMINISTRATIVE EXPERIENCE

A Home Within, New York City Chapter 06/15 – present

Brooklyn, NY

Co-clinical: Coordinator of Recruitment

National non-profit that provides direct services, education, and advocacy in an effort to enhance the emotional wellbeing of the foster-care community.

Liaise with Administration for Children's Services, foster-care provider agencies, and related advocacy and legal agencies to increase and enhance client referral. Screen clients for appropriateness based on the information provided by the referral source and follow through with completion of the intake process to ensure clients are matched with appropriate pro-bono therapists within New York City.

TEACHING EXPERIENCE

Department of Psychology, SUNY College at Old Westbury 09/12 – 09/13

Old Westbury, NY

Field Coordinator

Developed and maintained relationships with internship placements. Developed internship profiles for desired candidates. Developed relationships with on-campus services and student affairs departments to increase coordination and communication with stakeholders. Developed curriculum, taught the Field Experience and Research class, honed and evaluated students' abilities and performance. Prepared students for field placements by running an orientation program, focusing on real world skills and providing students with an idea of field requirements. Taught additional classes in the department.

Learning Center, Adelphi University

New York, NY 08/11 – 05/13
